

The background is a vibrant underwater scene. At the top, blue waves curve across the frame. A jellyfish with long, thin tentacles hangs from the top center. To its right, a blue fish with white stripes swims. On the right side, another jellyfish with long, flowing red tentacles is visible. The water is filled with small, light blue bubbles. In the bottom left, there is a red coral-like structure. In the bottom center, there is a cluster of blue, tube-like structures. In the bottom right, there is a red coral-like structure. A small orange fish is swimming near the bottom left, and a small blue fish is swimming near the bottom right.
